MESSAGE FROM THE DIRECTOR OF RECREATION

DEAR FAMILIES AND FRIENDS OF THE NEW LONDON RECREATION DEPARTMENT,

As we welcome the winter season, the New London Recreation Department is excited about the possibilities ahead! We continue to grow, create new opportunities, and provide programs that bring our community together.

This season, we are especially proud of the growth of our **New London Dragons Swim Team**, giving young swimmers the opportunity to develop their skills, build confidence, and experience competitive swimming. Programs such as **Girls Circle** continue to empower our youth through mentorship, positive relationships, and personal development, while the **Connecticut Youth Employment Program** provides valuable opportunities for young people to gain work experience, develop career skills, and prepare for their futures.

From aquatics and youth sports to fitness, enrichment, and family activities, we are committed to making recreation accessible, engaging, and meaningful for residents of all ages.

With our Community Recreation Center and growing partnerships throughout New London, the possibilities for new programs and experiences are greater than ever.

I encourage you to explore this winter brochure, try something new, and take advantage of everything our department has to offer. Together, we are building a stronger, healthier, and more connected New London.

Joshua Posey, MBA
